

OxySure Inks Distribution Agreement with Global Industrial, a Systemax Company

Frisco, Texas and Port Washington, NY, June 13, 2012 – OxySure® Systems, Inc. (OTCBB: OXYS), the pioneering manufacturer of life-saving easy-to-use emergency oxygen solutions with its “oxygen from powder” technology today announced a distribution agreement with Global Industrial, a Systemax (NYSE: SYX) Company.

“OxySure’s Model 615 and related accessories represent an excellent fit for our Medical and Safety Division,” said Bob Dooley, President of Global Industrial. He added: “We are proud to be one of the first to market with this innovative, lifesaving technology and we look forward to realizing its significant potential through this partnership.”

Said Julian Ross, CEO of OxySure: “We could not be more thrilled with our partnership with a stellar company such as Global Industrial. We look forward to working together on multiple levels to save lives while delivering returns for our respective stockholders.”

About OxySure Systems, Inc.

OxySure Systems, Inc. is a Frisco, Texas-based medical technology company that focuses on the design, manufacture and distribution of specialty respiratory and medical solutions. The company pioneered a safe and easy to use solution to produce medically pure (USP) oxygen from inert powders. The company owns numerous issued patents and patents pending on this technology which makes the provision of emergency oxygen safer, more accessible and easier to use than traditional oxygen provision systems. OxySure’s products improve access to emergency oxygen that affects the survival, recovery and safety of individuals in several areas of need: (1) Public and private places and settings where medical emergencies can occur; (2) Individuals at risk for cardiac, respiratory or general medical distress needing immediate help prior to emergency medical care arrival; and (3) Those requiring immediate protection and escape from exposure situations or oxygen-deficient situations in industrial, mining, military, or other “Immediately Dangerous to Life or Health” (IDLH) environments. www.OxySure.com
