

OxySure Systems (OXYS) to attend the 32nd Annual J.P. Morgan Healthcare Conference in San Francisco

FRISCO, Texas, January 9, 2014 -- OxySure(R) Systems, Inc. (OXYS: OTCQB) ("OxySure," or the "Company"), a medical device innovator of life-saving, easy-to-use emergency oxygen solutions with its "oxygen from powder" technology, today announced that its CEO Mr. Julian T. Ross will attend the 32nd Annual J.P. Morgan Healthcare Conference on January 13–16, 2014 at the Westin St. Francis in San Francisco to hold discussions with industry leaders regarding the potential of mass deployment of innovative, non-compressed and safe emergency oxygen solutions to lay rescuer markets.

The J.P. Morgan HealthCare Conference brings together industry leaders, financial sponsors and investors to explore innovation, markets and trends in the medical technology and healthcare industries.

About OxySure Systems, Inc.

OxySure Systems, Inc. (OXYS) is a medical technology company that focuses on the design, manufacture and distribution of specialty respiratory and medical solutions. The company pioneered a safe and easy to use solution to produce medically pure (USP) oxygen from inert powders. The company owns numerous issued patents and patents pending on this technology which makes the provision of emergency oxygen safer, more accessible and easier to use than traditional oxygen provision systems. OxySure's products improve access to emergency oxygen that affects the survival, recovery and safety of individuals in several areas of need: (1) Public and private places and settings where medical emergencies can occur; (2) Individuals at risk for cardiac, respiratory or general medical distress needing immediate help prior to emergency medical care arrival; and (3) Those requiring immediate protection and escape from exposure situations or oxygen-deficient situations in industrial, mining, military, or other "Immediately Dangerous to Life or Health" (IDLH) environments. www.OxySure.com
