

OxySure (OXYS) Welcomes Tom Cox to its Board of Directors

Frisco, Texas, April 13, 2015 – OxySure Systems, Inc. (OTCQB: OXYS) (“OxySure,” or the “Company”), a global leader and medical device innovator of life-saving, easy-to-use emergency oxygen solutions with its “oxygen from powder” technology today welcomed Thomas J. Cox to its Board of Directors.

Tom Cox is an advisor and consultant to various public companies and private equity firms. Prior to that, Tom was Executive Vice President with MSC Industrial Supply, a NYSE listed global company for 17 years until his retirement in November 2014. In that role his areas of responsibility included Field Sales, Call Centers, Ecommerce, Telesales, National Accounts /Government and he oversaw an organization of approximately 3,000 Associates. He has extensive experience in sales force effectiveness and acquisitions/integration.

During Tom’s tenure, MSC Industrial's sales increased from just over \$500 million to close to \$3 billion in sales.

Before joining MSC, Tom was President of his own transportation business, MailNet, with offices in the United States and overseas. He also spent a decade in the United States and Europe with TNT Express Worldwide, an international transportation company. At TNT, he was responsible for Worldwide Sales and Marketing based in Europe and also held the position of President of the Americas.

Mr. Cox holds a bachelor's degree in Accounting from St. John's University.

“We are very pleased to have Tom join our Board,” said Julian Ross, Chairman & CEO of OxySure. “Tom’s deep experience in developing global sales, as well as in business development and mergers & acquisitions will be invaluable to our Company as we grow to the next level.”

“I am very excited to join the OxySure Board,” commented Tom Cox. “I have known Julian Ross for several years and I look forward to working closely with him in building OxySure into a large profitable company.”

Tom Cox replaces Vicki Jones who resigned from the OxySure Board due to work load constraints.

About OxySure Systems, Inc.

OxySure Systems, Inc. (OXYS) is a medical technology company that focuses on the design, manufacture and distribution of specialty respiratory and medical solutions. The company pioneered a safe and easy to use solution to produce medically pure (USP) oxygen from inert powders. The company owns numerous issued patents and patents pending on this technology which makes the

provision of emergency oxygen safer, more accessible and easier to use than traditional oxygen provision systems. OxySure's products improve access to emergency oxygen that affects the survival, recovery and safety of individuals in several areas of need: (1) Public and private places and settings where medical emergencies can occur; (2) Individuals at risk for cardiac, respiratory or general medical distress needing immediate help prior to emergency medical care arrival; and (3) Those requiring immediate protection and escape from exposure situations or oxygen-deficient situations in industrial, mining, military, or other "Immediately Dangerous to Life or Health" (IDLH) environments. www.OxySure.com
